Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your amended report discloses additional receipts totaling \$55,598.21 that were not disclosed on your original report. The Commission notes the memo text attached to your report stating, "This report is being amended to add a transfer from the Republican National Committee that was omitted from the original filing. At the time of the filing, the bookkeeper had not completed a thorough bank reconciliation and unfortunately, the transfer was excluded from the report. When the Committee was made aware of the omission, it filed an amended statement. We apologize for the inadvertent error." Although the Commission may take further legal action concerning this matter, your clarification and any additional clarification you may have will be taken into consideration. 11 CFR §104.3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
